EDUCATION

Vasavi College of Engineering B.E. in Computer Science Engineering, CGPA: 9.19	2023 – 2027
Sri Chaitanya Junior College Intermediate (PCM), Percentage: 98.8%	2021 – 2023

SKILLS

Languages: C, C++, Java, Python, C#, JavaScript, HTML, CSS
Technologies & Frameworks: React, Node.js, Express.js, Git, GitHub, VS Code, Generative AI, Agentic AI
Databases: SQL, MongoDB
Core Competencies: Data Structures & Algorithms, OOPs, DBMS, Operating Systems, Computer Networks

EXPERIENCE

IIT Ropar	May 2025 – July 2025
– Developed a real-time poll automation system to streamline poll creation, participation, and result management during live sessions. – Enhanced system responsiveness and user experience by implementing dynamic updates and reliable poll data handling. – Automated poll generation workflows to improve the efficiency and accuracy of creating interactive polls.	

PROJECTS

Crop Yield Prediction System	Jun 2025 – Jul 2025
– Developed a machine learning application for crop yield forecasting using agricultural and environmental data. – Analyzed agricultural and environmental datasets to identify key factors influencing crop productivity and model performance. – Integrated real-time weather data to support crop yield prediction and crop recommendation features	
Health Plus	Jun 2025 – Aug 2025
– Developed an online pharmacy application to facilitate convenient browsing and purchasing of healthcare products. – Implemented product search, categorization, and cart management features to improve shopping efficiency. – Designed responsive and user-friendly interfaces to improve overall usability	

ACHIEVEMENTS

– Flipkart GRID 7.0 Semi-Finalist: Advanced to the semi-finals among 150,000+ participants through multiple technical elimination rounds. – TCS CodeVita 2025 Round 2 Qualifier: Selected among top performers in the global coding competition, demonstrating strong problem-solving and algorithmic skills. – McKinsey Forward Program (2025): Selected for a competitive global program focused on structured problem-solving and leadership. – Infosys Springboard Pragati Cohort 5: Chosen among top candidates nationwide for intensive technical training. – NPTEL Java Topper (Top 5%): Ranked in the top percentile through IIT-conducted proctored examinations. – Hackathons: Competed in Smart India Hackathon, ISRO Hackathon and Innovasia Hackathon
